CUP O' JOE

April is Rockin' at The House, No Foolin'!

Man, I just kill myself with these titles, how do I do it?

Art by Young Gun
ADI GRANOV

You know, there comes a time in a persons life when they have to pack up their gear and move out of the old nest. Guess what, in some bizarre way life's no different for Peter Parker, Aunt May or Mary Jane. The Parkers are moving house and it ain't to a new one in the hills with a cement pond.

Spider-Man Month chimes in with a new status quo for the Parker family and a new way of life for our favorite wall-crawler. Trust me, you don't want to miss Peter's new Avenging roommates in Amazing Spider-Man #519. While that would be enough news to make any publisher proud, when we say Spidey month, we mean Spidey month!

Lets give a warm Marvel welcome to Hollywood bigwig and Black Panther scribe Reginald Hudlin who along with bombastic Billy Tan (X-23) will be the new ongoing team on Marvel Knights Spider-Man. Reggie and Billy's first arc beginning with issue #13 will have Spidey coming up against someone who's everything he isn't.

And let's not forget Toxin, the symbiote of symbiotes, the newest havoc -bringer in the Marvel U and Spidey's world! This six-issue misadventure of mayhem is brought to you by flawed genius, Peter Milligan and dastardly Darick Roberston with covers by Esad "Man Mountain" Ribic!

Also, crossing over from the world of New Avengers, there's been a little jailbreak of late and Spidey's got about a dozen or so baddies to get his hands on! You can catch all of the craziness in a little thing we so brilliantly entitled, Spider-Man, Jailbreak! This Spidey story is being spun by Tony Bedard, with art by Manuel Garcia.

In other corners of the Marvel U, you won't find two more disparagingly different books. First up we have Punisher #19 and #20 begining Garth Ennis' next big story arc called "Up is Down and Black is White," penciled by the great Leo Fernandez! What can actually get to Frank Castles hardened heart? Gangster Nicky Covella knows.

And for those looking for a different kind of adventure, we bring you Power Pack – back and in glorious form. Join writer Marc Sumerak and artist Gurihiru as they reintroduce Alex, Julie, Jack and Katie: the Power family! This is sure to be an all ages treat!

That's it from me, kiddo, now you'll have to excuse me as I try to figure out how to get this whoopee cushion under Tom Brevoort's chair. See ya next month!

Cover by GREG LAND

Acclaimed science-fiction novelist Richard K. Morgan (Altered Carbon and Broken Angels) and comics legend Bill Sienkiewicz (ELEKTRA: ASSASSIN, Stray Toasters) bring you old ghosts and new revelations about the original Black Widow – Natasha Romanova – in this hardboiled noir tale. The deadliest agent in the Marvel Universe has finally gotten out of the spy game, and she's not asking for much, just a life of her own. When a sudden assassination attempt provides a harsh reality check, the former Soviet agent tracks a string of international killings that will lead her back to a Russia she can barely recognize. Collects BLACK WIDOW #1-6.

CAPTAIN BRITAIN TPB (2ND)

Written by ALAN MOORE
Pencils & Cover by ALAN DAVIS

Alan Moore and Alan Davis represent two of graphic storytelling's greatest innovators. Individually, they are masters; together, they are legend. And for every legend, there is a beginning. For each, this is their first masterpiece, a fitting repository of the literary and artistic standards they would establish. A story that would influence the heart and soul of comic books for generations. For Brian Braddock, a.k.a. Captain Britain, it began when the Merlin of Arthurian myth transported him to a world sideways to his own, an alternate reality on the brink of annihilation. A world Braddock would fail to save. And when the events that destroyed that world begin to repeat themselves on his own, Captain Britain faces a destiny that he cannot avert. Join Moore and Davis in this collection of their first collaboration, originally published exclusively in Marvel's United Kingdom line.

Nice work, Katie...you really scared him off.
Yeah, but if it wasn't for Katie, he wouldn't have even found us in the first place!

Well, I guess we know what we have to look forward to once Katie gives her report...
Hope it's worth it...
